Subject: RE: Gold King Mine Release - dissolved metals

Thanks Rebecca,
Do you anticipate that EPA will release the actual data on the website? It's hard to tell from the scale used in the graphs what is going on with the contaminants like lead present in the ppt range that are still possibly elevated.

Thanks for your work on this,
Laura

Subject: Gold King Mine Release - dissolved metals

Hi all,

Please find attached the dissolved metals information. I will continue to send you updates as they become available.

Thanks,

Rebecca
